The application to extend cable services shall include, but not be limited to, a map of the area(s) to be constructed, a construction schedule, an estimate of construction costs, and other applicable information required by the Director. After approval by the Director and upon completion of construction of any extension area(s), said area(s) shall be considered a part of the franchise service area, as if originally granted in the granting ordinance. Any areas constructed under the line extension policy shall be provided the same services at the same rates by the Franchisee as Franchisee provides for those service areas in the original franchise service area(s).

The Director shall have the authority to grant one or more line extensions. As a condition to the granting of the extension of service, the Director may impose such additional terms and conditions upon the franchise and upon the franchisee which the Director may deem to be in the public interest. Such additional terms and conditions shall be expressed by ordinance.
